

WITHDRAWAL REQUEST FORM

In order to withdraw any amount from your account, kindly fill out all the necessary fields, where applicable, accurately and completely, under your full responsibility. Note that ROYAL is not liable for any error or delay caused by any missing or incorrect information in this form. In the case where this form has been approved, any transfer from ROYAL to the client mentioned in this form will only occur through the method of payment selected below and within two days of the approval date and only in the case where the transfer is within Lebanon. As for international transfers, the withdrawal process may take four or more days depending on the transfer destination.

Note that any withdrawal from your account may affect current positions held in the mentioned account, the liquidity of the account, or any trading strategy applied, therefore, the account owner is solely responsible for monitoring his trading account.
